## **Narrative:**

On June 8, 2017, at approximately 0042 hrs., the Grants Pass Department of Public Safety (GPDPS) received a report of a person lying on the roadway in the westbound lanes of the Grants Pass Parkway between the walls, just prior to Rogue River Hwy.

Moments later GPDPS police and fire, American Medical Response (AMR) and the Oregon State Police (OSP) arrived and discovered citizens attempting life saving measures on a 22 year old female, subsequently identified as Gabriella Licata. Licata was unable to be revived and died on scene. GPDPS detectives responded to assist in the investigation.

Based on the investigation so far, detectives believe that Licata was walking on the Grants Pass Parkway when she was struck by a vehicle, which then fled the scene. Witnesses describe a white or light colored 4 door sedan, similar to a Ford Taurus, but "rounder" and/or possibly a Chevrolet Monte Carlo leaving the area of the incident.

Narrative continued:

Detectives learned Gabriella Licata recently traveled from Gilbert Arizona and arrived in Grants Pass earlier in the night. Detectives are currently searching for the listed white vehicle as part of their investigation.

Anyone who witnessed the incident or who has information relative to the investigation is encouraged to contact GPDPS Detective Archie Lidey at (541) 450-6342.
